KCDHH TAP EQUIPMENT GUIDE

Landline Phones

ATTACH A COPY OF YOUR PHONE BILL!

A copy of the section of your phone bill that has your name, address and phone number or a copy of a driver's license is required. If your name is not on your bill, then you must attach a copy of a driver's license or other official documentation/ID showing proof that you live at the address you wrote on the application.

Captioned Phones

CAPTIONED PHONES: Captioned Phones are specifically designed for anyone affected by hearing loss regardless of age, illness, injury, loud working conditions or military service. These phones feature large, easy-to-read screens that display written captions of what callers say. Review the list of CapTel phones below. Please remember that ALL of the CapTel phones available are 40 dB and not used as amplified phones.

A COPY OF YOUR PHONE BILL IS REQUIRED.

CapTel Models:
