COVID-19 TESTING

Urgent Cares of Kentucky is proud and excited to announce that we are currently enrolling in the **COVID19 Uninsured Patient Program!!!!** You may wonder what this means. This program is part of the latest Stimulus Package for Health Services. It will cover any COVID-19 related visits as well as COVID-19 testing for uninsured patients. This program is strictly for the uninsured.

As soon as we verify that the program will back date visits we will contact all uninsured patients who have visited us within the last two months to arrange for a refund.

We are offering COVID-19 testing daily at all our locations for everyone. (Effective tomorrow, May 1, 2020, the uninsured will be FREE). If you are insured it is also FREE as before through your Insurance Company

Call us before you come or upon arrival. We do all COVID-19 Swabs outside.

For a list of our locations visit www.urgentcareofky.com

Thank you
