

# Want to meet new people? Join our Friendly Visitor and TeleCare programs!

**For more information, contact:**

Megan Cantwell, Program Coordinator

**TeleCare** volunteers call you each weekday, providing a regular means of contact and personal connection.

**Friendly Visitor** matches you with a volunteer based on common interests. Volunteers will visit with you twice a month. Are you deaf or hard of hearing? Volunteers who are **sign language fluent** can call (video phone, TTY, or text) or visit with you.

***Over time, your connection will grow into a true friendship!***
