

Wireless Device Terms and Conditions Agreement

By signing and returning this agreement of terms and conditions, I understand my responsibilities and the conditions under which I am receiving a wireless device from the Kentucky Telecommunications Access Program (TAP), operated by the Kentucky Commission on the Deaf and Hard of Hearing (KCDHH).

My TAP application is not complete until this form is signed and returned to KCDHH.

Distribution

- Upon approval and order, the wireless device is shipped to your home via UPS using your 911 address. An adult signature is required for delivery. You are responsible to report any change of address to KCDHH.
- You cannot sell, trade, loan or give the equipment to another person. It is intended for your use only.
- You must notify the TAP office if you move out of state, or leave the state for more than thirty (30) days.

Usage

- The wireless device you are receiving is for telecommunication purposes. It is shipped to you pre-loaded with apps specific to your self-identified disability. You are responsible for properly using and maintaining the equipment.
- The wireless device will arrive with an Otter Box case and must be housed in the case at all times. The wireless device itself has been laser etched, "*Distributed by KCDHH, NOT FOR RESALE*".
- Your wireless device is being tracked by the vendor. If it is sold, traded or given to anyone else, or if it is found at a Pawn Shop, on EBay, on Craigslist or another venue, you will be banned from the TAP for life and cannot receive equipment in the future, plus the wireless device itself will be shut down (made unusable).
