

Resources in the Lexington Area to Assist with Your Hearing Loss:

Our mission: The Hearing Loss Association of America opens the world of communication to people with hearing loss through information, education, support and advocacy. Our local chapter and members are the best resources for help with living better with hearing loss. More information about resources and informative presentations at our meetings are found at:

Hearing Loss Association of America Lexington Chapter

Meets the second Thursday of each month at 6:30 p.m. except January, July and December

Kentucky Commission for the Deaf and Hard of Hearing

The Kentucky Commission for the Deaf and Hard of Hearing (KCDHH) is a rich resource for all Kentuckians with hearing loss to keep us connected and safe. The KCDHH has a Telecommunications Access Program (TAP) that includes a list of specialized telephone equipment offered at no charge to those with a documented hearing loss. For more information about the program and other KCDHH resources, visit:
