

Rescheduled Operationalizing Access Bonus Session! Understanding Hearing Assistive Technology and National Resources

June 26th

2:00-3:30 pm Eastern Time via Zoom

Before a person who has hearing loss/is hard of hearing can receive behavioral health services, they need to be able to communicate with the provider and peers. Learn various tools and techniques for providers and organizations, as well as key findings about the impact of hearing loss on a person's life. Resources will be provided. Presented in English with ASL interpreters and CART.
